BuildPro is the leading Home Builder scheduling and project management software, streamlining operations, bid approvals, Supplier coordination, purchase order management and more. BuildPro allows Home Builders and their Suppliers, Manufacturers, and Trades to significantly improve production home building operations with real-time communication and project visibility in a single platform.

BuildPro Serves the Ultimate Network from Homeowners to Manufacturers

HOMEOWNERS ↔ BUILDERS ↔ SUPPLIERS ↔ DISTRIBUTORS ↔ WHOLESALERS ↔ MANUFACTURERS

Save Time + Money with BuildPro

Schedule and execute new home build projects in less time with less effort than ever before by using BuildPro to receive and approve bids, schedule Suppliers and approve POs. By easing Supplier communications and removing risk, you can eliminate countless man-hours preparing start packs and reduce material costs such as paper, toner, envelopes, folders and postage. BuildPro makes your job much easier, freeing up time to focus on taking your business to new heights.

Enhanced with Hyphen Wallet ePayments

Transform the efficiency and effectiveness of your residential construction management with the advanced capabilities of BuildPro enhanced with Hyphen Wallet. This innovative solution automates, secures and simplifies the payables process, significantly reducing time-consuming and costly operations. With Hyphen Wallet, Builders can effortlessly manage invoices and payments to Suppliers, Manufacturers, and Trades enhancing transaction security and efficiency.

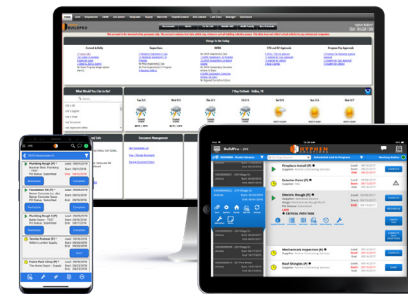

More Efficiency with Advanced Communication

BuildPro home construction project management software seamlessly integrates with your current back-office system, so tracking and reporting are a breeze. Stop relying on intuition, fax machines, duplicate data entry and notepads. With BuildPro's all-in-one dashboard, you can schedule, collaborate with Trades, order receipts, obtain item details and more. BuildPro allows access to all of this on any device, whether it's desktop, tablet or mobile.

With BuildPro, Home Builders are now able to:

✓ Improve communication

✓ Increase productivity

✓ Reduce costs + human errors

✓ Maximize supply chain efficiency

✓ Manage workflows

✓ Have better business insight

BuildPro Helps to Ease the Trade Burden

Your Trades will not have to call you every time they have a question. Now they can access updates on any account, at any time, and avoid multiple disconnected platforms. It's your warranty solution, inspections, lien releases and document management all in one portal. Every single Trade is handled digitally, with clear records saved in the cloud, eliminating miscommunications and misunderstandings.

Streamline Purchasing + Accounting

BuildPro transactions are 100% paperless on our cloud-based platform, meaning no more printing, separating, filing or distributing paperwork. Transactions to and from Trades are instantaneous and occur in real-time, so no repetitive effort is needed any time changes are made. With BuildPro, you can now digitally receive paperwork from the field in a matter of a few clicks. Authorize payments, identify and submit PO errors and eliminate logistical issues by instantaneously transmitting data to your Trades on a secure platform.
